

# AN INNOVATION IN CUSTOM ENGRAVED TOOLS

# TACKLE THE JOB WITH CHANNELLOCK® TOOLS

Channellock® tools are reputable high end tools trusted by professional plumbers, electricians, mechanics, first responders and more. More than your average department store tools, Channellock® is best known for its various Tongue and Groove Pliers. Setting high standards for the industry, there is no better plier than a Channellock® plier. Additional popular products include cutting pliers, linemen's pliers, long nose pliers, slip joint pliers, rescue tools and many more assorted hand tools.

## CHOOSE CUSTOM ENGRAVED TOOLS

Custom engraved Channellock® tools help emphasize the special bond between tradesmen and their tools. Not only does custom engraving minimize tool theft, increase job safety awareness, and employee and company recognition, but custom engraving creates a memorable and functional service, safety, or anniversary award and gift. The following pages outline all our featured Channellock® tools, decoration locations, and decoration methods.

## CHANNELLOCK® FOR YOUR NEXT PROMOTION

Co-brand with Channellock® to show that your organization stands by American Made quality products and tools.

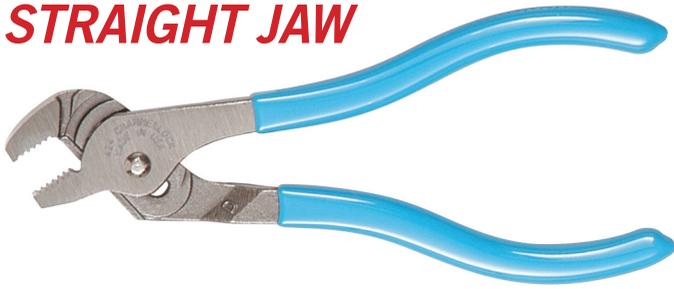

Engraved Channellock® tools are a functional gift or award that will always be used rather than forgotten.

With their lifetime guarantee and quality craftsmanship Channellock® tools will be around much longer than other promotional products.
